MAQ200 (quiet)	2.38	4	120 VAC	hard wired	no
MAQ200RTS (quiet)	2.38	4	120 VAC	built in RTS	no

see width-length limitation chart for min/max widths and lengths

RTS controls	type	# channels
RFX-1	hand held controller	1
RFX-4	hand held controller	4 + All
RFW-1	wireless wall switch	1
RFW-4	wireless wall switch	4 + All
AVIRTS-1	wireless interface	1
AVIRTS-5	wireless interface	5
MTRTS	wireless timer	1
MTRTS-SUN	wireless timer/sunsensor	1
EXTRTS	external RTS module	1

Switches	
rocker	SPDT/DPDT/maint/mom
Décor	SPDT/DPDT/maint/mom
key switch	key operated; SPDT or DPDT
Group controls	
AGC100	up to 4 motors, group only
AGC200	up to 4 motors, indiv or group

Definitions	
multiband	more than 1 shade band per motor/gear, coupled together with center support(s)
hard wired	controlled by direct wire connection to switch and/or group control
120 VAC	standard house current
12v battery	12v single or double battery wand
24 VDC	low voltage supplied by plug-in power pack
RTS	Somfy radio motor control system
interface	connects motors to a home or bldg automation or control system
RF (infrared)	controlled by invisible light beam (must point at receiver eye)
SPDT	single pole - double throw - center off
DPDT	double pole - double throw - center off
maint	press switch once and shade will continue to operate
mom	continue pressing switch to operate

Limited Warranty

WindowTex/ Windowcraft, Inc does hereby warrant that shading systems including fabrics and components are engineered to withstand fading, soiling, mildew and that they will remain dimensionally stable and operable for a period of five (5) years from the date of purchase when installed and used properly.

This limited warranty does not cover damage caused by improper installation or use nor damage caused by accidents, alterations, normal wear and tear, direct exposure to corrosive materials, abuse or acts of God.

Should the shading system warrantee not be represented, WindowTex will repair or replace at our discretion the shading system at no charge upon return of the defective shading system or part thereof to the factory.

The warranty is limited to repairs or replacement only and does not include or warrant the cost of removing, packaging, reinstalling or any other cost of materials or labor other than to repair or replace the shading system and return it to the customer using standard shipping.

This warranty constitutes the entire obligation of WindowTex/ Windowcraft, Inc and is independent of any other warranty made by a dealer, retailer, electrician or installer.

Terms and Conditions

Placing orders: All prices are suggested retail prices and are subject to dealer discount. Orders are accepted by phone, fax and online. It is the dealer's responsibility to check, verify and confirm that all items that are specified on the written quote are included and correct.

Changing orders and cancellation: All WindowTex shading systems are custom made and once production has started, cannot be cancelled. Changes may be possible depending on how far along it is in production and may result in additional charges.

Substitutions: WindowTex reserves the right to substitute what, in its opinion, are equivalent fabrics when necessary without prior notice.

Payment terms: Credit terms are net 30 days with approved credit. Accounts are required to complete the WindowTex credit application. Until credit is approved, all orders will be prepaid or COD. Orders over \$10,000 will require a 50% deposit. No orders will be processed if there are unpaid invoices older than 45 days.

Shipping policy: All shipments are FOB Mineola, NY or Statesville, NC. Small packages will be shipped by UPS or Fedex. Next day or second day service is available at extra charge. Large order and oversized packages will be shipped via common carrier.

Damage and shortages: Recipient must inspect all cartons at the time of delivery for visible and possible concealed damage, refuse any part of the shipment that is damaged and notify WindowTex immediately so replacement can be expedited. If the recipient signs that the contents are in good condition, neither the carrier nor WindowTex will be held responsible to correct any damage. All orders must be opened and checked for damage and completeness before delivery to the jobsite.
